In addition, for Student Members, a letter from faculty supporting the project and its originality is required.
- For all Technical Employer Categories - a letter outlining the reasons the employer should be considered for the award.

CACPT MERIT AWARDS INFORMATION

Eligibility Criteria

- Any member may submit an application if they have played a substantial role in the project
- Any member may nominate another member and project for consideration
- All entrants must certify that the client and/or employer is aware and supportive of the submission for the award
- For student members, submissions must be accompanied by a letter from the supervising faculty supporting the project and its originality

Judging Criteria - The project and/or the member:

- Shows high level of technical knowledge
- Significant contribution to technical work
- Consistent professional attitude and assistance to others

Categories

- **Geomatics Award** – given for a notable project in GIS, Topography or Cartography
- **Reports or Studies** – given for reports pertaining to all fields of planning
- **Design** – given for designs prepared in any field of planning
- **Social Services/Environmental Field** – To recognize projects or work done in the social or environmental fields such as health agencies, school boards, conservation authorities and nongovernmental agencies.
- **Utility/Energy Field** – To recognize efforts and projects completed by members in the energy or utility companies
- **Technical Employer** – To recognize employers who show support for CACPT, certification, membership, professional development, volunteerism, and/or promotion of Planning Technicians within their organization

Please note that ALL submissions are considered by the review board, but only a select number can be awarded each year. We acknowledge and thank you for your time and detail put into preparing your submissions for yourself, your colleagues, and/or your employer.

Please forward any submission(s) for consideration by the review board to director@cacpt.org
